State Berth Breakdown and League Votes

2010-2012 Cycle Berths to 32 man state bracket

67 Teams in 3a, exclude Holy Names and Seattle Prep. That leaves 65 teams that participate in the wrestling post season annually. Each team will be worth .49 berths per weight class towards the state tournament.

Wesco

8 Teams
3.92 berths

Option A

2010-2011: 4 berths

2011-2012: 4 berths

Option B

The only viable option would be to merge Wesco and Northwest District to form an 11 team District Tournament that would earn 5.39 berths to the state Tournament. In one year the district would have 5 berths to state, and in the other they would have 6 spots to the state tournament.

Northwest District

3 Teams
1.47 berths

Option A

2010-2011: **not viable**

2010-2011: **not viable**

Metro

12 Teams
5.88 berths

Option A

2010-2011: 5 berths

2011-2012: 6 berths

Metro would be asked to take a 5/6 chop with the combined Wesco/Northwest District league. The leagues would have the option of a pigtail match in a round proceeding the state tournament or meet at neutral location such as Everett in the week before state.

Kingco

10 Teams

4.9 berths
