Moses Lake
Eisenhower
Walla Walla
Richland
Davis
Chiawana

67 Teams that will participate in the 4a state tournament. Each team deserves .48 of a bid per weight class to the state tournament in a 32 man bracket. Below is a proposal to eliminate long regional travels and give leagues the options to pool berths for the 2010-2012 cycle.

State Berth Breakdown and League Votes

2010-2012 Cycle berths to 32 man state bracket

66 Teams in 4a

Wesco

11 Teams
5.28 berths

Option A

2010-2011: 6 berths
2011-2012: 5 berths

Option B

2010-2012: 5 berths, 6th place pigtail

Kingco

11 teams
5.28 berths

Option A

2010-2011: 5 berths
2011-2012: 6 berths

Option B

2010-2012: 5 berths, 6th place pig

League Option between Kingco and Wesco: Due to the proximity of these two conferences 6th Place and 5th Place can wrestle a pigtail in both 2010-11, and 2011-12 either during the week proceeding the state tournament at a neutral location or during a pigtail round before the start of the state tournament.

SPSL North

9 Teams
4.32 berths

Option A

2010-2011: 4 berths
2011-2012: 5 berths

Option B

2010-2012: 4 berths, 5th place pig tail

SPSL South

9 Teams
4.32 Berths

Option A

2010-2011: 5 berths
2011-2012: 4 berths

Option B

2010-2012: 4 berths, 5th place pig

League Option between SPSL North and SPSL South: Due to the proximity of these two conferences 5th Place and 4th Place can wrestle a pigtail in both 2010-11, and 2011-12 either during the week proceeding the state tournament at a neutral location or during a pigtail round before the start of the state tournament.

Narrows

7 Teams
3.36 berths

Option A

2010-2011: 4 berths
2011-2012: 3 berths

Option B

2010-2012: Merge Narrows and St. Helens and both leagues together send 6 to the State Tournament

St Helens

5 Teams
2.4 berths

Option A

2010-2011: 2 berths
2010-2011: 3 berths

Option B

League Option between Narrows and St. Helens: Merge both leagues to form a 12 team district and send 6 wrestlers per weight class to the state tournament. This seems like a more feasible alternative then having a 4/2 chop for 2010-2011 and 3/3 chop for 2011-2012 between the two leagues.

Spokane

6 Teams
2.88 berths

Option A

2010-2011: 3 berths
2011-2012: 3 berths

Option B

2010-2012: Merge all Eastern Washington teams to form a 13 team conference that will send 6 wrestlers to state each season.

Central Washington

7 teams
3.36 berths

Option A

2010-2011: 3 berths
2010-2011: 3 berths

Option B

League Option between Eastern Washington: Merge all teams to form a 13 team district that will send 6 wrestlers to state per weight class. Or split the teams evenly and send 3 wrestler to state per weight class in two separate districts.
