Three scholarships will be awarded to assist Washington scholar athletes who plan to continue wrestling in college: one $5,000 award (paid in $2,500 increments); and two $500 awards, one at Highline Community College and one at Yakima Valley Community College. These scholarships provide an incentive to scholar athletes to exhibit leadership, sportsmanship, and academic success. The program is administered by Scholarship Management Services, a national non-profit educational support and student aid service organization.

Scholarship finalists are selected on the basis of academic record, demonstrated leadership and participation in school and community activities, honors, work experience, statement of goals and aspirations, unusual personal or family circumstances, an outside appraisal, reference letters and an applicant essay. Selection of finalists is made by Scholarship Management Services.

**Applicants will be notified by May 15th of each year**
